The award will be presented to the team that best exhibits what NIFA is all about: safety, education, passion for aviation, sportsmanship and commitment. The Award is designed to recognize the team that, regardless of its own performance, best demonstrates cohesion and cooperation within its own ranks and at the same time shows a respect for its opponents and NIFA volunteers. The Award recognizes the team with the best NIFA culture – the team that buys into being a team and working together the best,

Scoring for the Award will include input from both the contestants and judges, Each team will be required to submit, by the end of the competition events on Monday a nomination of one team that they feel best exhibits the spirit of NIFA. The nominations should be submitted via email to *ReviewBeforeFlight* at **matthew.t.elia@gmail.com** and should include an explanation of why the nominated team deserves the honor and citing, with examples when possible, what they did to earn the honor. Teams may nominate themselves. Judges will also provide input based on their daily observations of the performance of each team throughout the event Ultimately, the selection will be based on a combination of the input from all the teams and judges.

The winning team will be presented the “2015 *ReviewBeforeFlight* Cup,” a trophy donated and provided by *ReviewBeforeFlight* at the end-of-event award ceremony.
